[Webinar] Annual Cal/OSHA Enforcement and Regulatory Update: Are You Ready for 2026?

On Thursday, December 18, 2025, at 9 am to 10 am PT / 12 pm to 1 pm ET, join [Rachel L. Conn](#), [Megan S. Shaked](#), and [Andrea O. Chavez](#) for a webinar titled, "[*Annual Cal/OSHA Enforcement and Regulatory Update*](#)."

The California Division of Occupational Safety and Health, better known as Cal/OSHA, is perhaps the most aggressive and enforcement-heavy approved state OSH Program in the nation. California employers face a host of requirements that other employers around the country do not. Likewise, the Cal/OSHA inspection and appeal process creates several unique landmines for California employers. Join us for our annual review of all things Cal/OSHA.

Participants in this webinar will learn about:

- New Cal/OSHA regulations
- California legislation impacting workplace safety and health
- Significant Cal/OSH Standards Board decision
- And more!

This program has been preapproved for 1.00 General California Minimum Continuing Legal Education (MCLE) credit.
