Happy Holidays from Everyone at Conn Maciel Carey!

All of us here at Conn Maciel Carey wish you a joyful and safe holiday season!

Please enjoy this [holiday greeting](#) from the CMC family to your family:

We have so much to be thankful for at Conn Maciel Carey, but most of all, we thank you all for continuing to turn to us for counsel and legal services. Please contact us if you have questions about any of the topics we have covered here on the Employer Defense Report blog, or if you have ideas for other subjects we should be covering. And of course, contact any of us if there is ever anything our national [Labor and Employer Practice Group](#) at Conn Maciel Carey can do to help your organization with labor and employment law issues.
