The [Pabian Law-Seasonal Connect Staffing Summit](#) is a joint in-person event in collaboration with Pabian Law and Seasonal Connect. This 3-day event in Naples, Florida, features senior leadership and HR professionals from all over the country sharing their expertise. The summit features learning opportunities from national experts, industry leaders, hospitality professionals themselves, and through collaboration with fellow attendees.

Attendees will be able to join us for our talk on Innovative Onboarding and Training Experiences. The onboarding process sets the tone for a new hire's employment journey and is a critical opportunity to build engagement and productivity.
