NLRB and Joint Employer Update [Webinar Recording]

On Thursday, December 14, 2023, [Kara M. Maciel](#) and [Andrea O. Chavez](#) presented an **NLRB and Joint Employer Update**.

As President Biden closes out his third year, we reviewed the state of labor law under the Biden Administration. We discussed the status of the Board and its Members, its most important recent rulings, and any rulemaking, policymaking, and enforcement efforts. We looked ahead to expected rulings and initiatives and make predictions about what employers can expect from the Biden Administration's fourth year, touching on the upcoming election and the prospects for changes in labor law. 

Participants in this webinar learned:

- Recap of recent changes and other decisions that have reversed precedent
- The NLRB's enforcement efforts and areas of emphasis, and the status of the joint employer standards
- The impact of the NLRB's broadened scope of remedies and other initiatives
- Predictions for the Board in Year 4 of the Biden Administration and beyond
