BY MARK M. TRAPP

On June 24, 2020, [Mark M. Trapp](#) of Conn Maciel Carey presented a complimentary webinar regarding "[Going Through Withdrawal: Avoiding, Minimizing and Fighting Withdrawal Liability](#)." 

This webinar addressed the significant challenges faced by companies participating in multiemployer plans. Specifically, it helped unionized employers understand and analyze what is often the most critical challenge facing their business – multiemployer pension withdrawal liability.

Participants learned about the following:

- Specific strategies to address withdrawal liability and plan for your company's future
- The latest developments in litigating withdrawal liability assessments, including determining the highest contribution rate and calculating the credit for a prior partial withdrawal
- The impact of COVID-19 on the legislative environment for multiemployer pension plans
