Annual Cal/OSHA Enforcement & Regulatory Update [Webinar Recording]

On Thursday, February 23, 2023, the attorneys in CMC's Cal/OSHA Practice Group presented a webinar regarding an **Annual Cal/OSHA Enforcement & Regulatory Update**.

Cal/OSHA and the California legislature have continued to focus their efforts on extending workplace mandates associated with COVID-19, heat illness and wildfire smoke. This update will cover the transition from Cal/OSHA's COVID-19 Emergency Temporary Standard to the Non-Emergency COVID-19 Rule as well as other workplace safety mandates that have been recently adopted or are under consideration.

Participants in this webinar learned:

- Insight into DOSH enforcement trends and strategies for managing the regulatory landscape
- Cal/OSHA's COVID-19 Non-Emergency Standard and the status of rulemaking over a general infectious disease standard
- Extended COVID-19 exposure notice and outbreak reporting requirements – Assembly Bill (AB) 2693
- Extended sunset date for law creating a disputable presumption, under specified circumstances, that a COVID-19 related illness is compensable for workers' compensation purposes – AB 1751
- Mandate for Cal/OSHA to develop rulemaking proposal for revising the heat illness and wildfire smoke standards– AB 2243
- Law establishing "Fast Food Council" to promulgate minimum employment standards for fast food restaurants, including standards on wages and working conditions – AB 257
- Workplace posting requirements to include specific languages other than English – AB 2068
- Other regulatory developments from the Cal/OSHA Standards Board, such as the status of the proposed indoor heat illness rule and the workplace violence prevention rule for general industry.
